# MEET THE TEACHERS BEHIND THE LEARNING

**Each Spark Learning Pals class is led by one of our amazing teachers. To make it easy to follow our weekly schedule, each teacher is assigned a color—you'll see these same colors used on the class schedule to show who is leading each class.**

Ms. Hannah is a passionate educator with nearly 8 years of experience teaching students from elementary through middle school. She holds a Bachelor's degree in Elementary Education and a Master's degree in Curriculum and Instruction, and loves creating engaging learning experiences that help students grow and thrive. Hannah is excited to share her love of learning with Spark Learning Pals families.

Ms. Meionna Johnson is a dedicated online educator who is passionate about supporting students' academic, social, and emotional growth. She creates a warm, structured, and engaging classroom environment where students feel supported, confident, and capable. Meionna believes in high expectations paired with strong support to help every learner thrive.

Mrs. Katrina Beckman is the founder of Spark Learning Pals and a highly experienced special educator with extensive expertise in dyslexia, dysgraphia, dyscalculia, and neurodivergent learning needs. She holds a Bachelor's degree in Inclusive Education and a Master's degree in Curriculum and Instruction with a specialization in Special Education, and previously served for over a decade in public schools as a special educator and CSE chair. Katrina brings both professional expertise and a parent's heart to every class she leads.

Mrs. Christy brings over 22 years of public school teaching experience and 8 years of homeschooling her own children to Spark Learning Pals. She holds dual Bachelor of Science degrees in Early Childhood and Elementary Education with ESL certification, and loves building strong relationships with students and families to support meaningful learning. Christy's passion for teaching shines through in every class she leads.

Ms. Katie brings over 30 years of experience in education, teaching students from kindergarten through adulthood in both classroom and online settings. She holds a Bachelor of Science degree in English/Secondary Education and is passionate about making learning meaningful by connecting lessons to students' interests and building confidence. Katie loves partnering with families to make learning engaging and enjoyable.
