

# ALL STARS

2024-2025 SCHOOL YEAR

# How is the All Star Program Different?

Our All Star Program at Spark Learning Pals offers a comprehensive enrollment option. When you enroll as an All Star, your child will join a small group of 10 students in an All Star Learning Pod. These sessions, held twice a week for 60 minutes each, focus on core academics like reading, writing, and mathematics. The program also emphasizes building peer relationships and provides ample engagement and feedback from the assigned teacher.

Furthermore, All Star enrollment grants access to exclusive live classes. Your child can explore a variety of classes available only to All Star students. Additionally, All Star students enjoy unlimited access to classes offered to Rocket and Launch Pad students, totaling 77 live classes weekly. These programs are designed for flexibility, with all classes accessible on-demand to suit your schedule.
